GRANTS-UPDATE

On March 9, 2004, the Employment Development Department (EDD) announced funds available for Local Workforce Investment Area Demonstration Grants to develop innovative projects that foster local collaboration between public and private service providers and One-Stop Career Centers for the improvement of services to customers who are deaf or hard of hearing and customers who are blind or visually impaired.

Questions submitted by parties interested in the Local Workforce Investment Area Demonstration Grants, and the answers to those questions, may be found on the [Employment and Training Special Projects](#) Web site. The Questions and Answers (Q&A) are organized by general topic area, but they are numbered in the order that they were received by the State.

We will not issue additional Information Bulletins for this Solicitation for Proposals (SFP), but will use the [Web site](#) to add updated information. The Web site will take you to the EDD's general description of the Local Workforce Investment Area Demonstration Grant SFP. You may follow the links from there to get to the Q&A, the SFP, and related documents. Bidders are encouraged to check the Web site frequently for updates.

If you have any questions, please contact Robyn Peguero at (916) 654-0205 or by e-mail at rpeguero@edd.ca.gov.
